MO-180-ARC-..

Arc flash helmet with integrated face shield and neck protection, 12 cal/cm² / class 2

Application:

- Unique patented solution by CATU to protect eyes, face and head against thermal arc hazards of an electric arc.

Features:

- Insulating protection of the shell up to 20 kV (ANSI) and protection against mechanical shocks.
- Face shield protection against electrical arc, fully retractable inside the shell.
- Chin-strap with 4 attachment points for comfortable ear positioning and with user friendly clip locking system.
- Adjustable size by mean of a ratchet.
