CAT'ARC multi-risk jacket to protect against an electric arc

Application:

- Multi-risk protection: protection against thermal arc hazards of an electric arc, heat and flames, welding hazards and antistatic.
- Prevention of the worsening of an accident by quickly and easily removing the jacket thanks to the red anti-panic zip.
- Adjustable to all body types: cuffs that can be tightened, elasticated waist.

Features:

- High collar providing effective protection up to the neck. To wear with pants **AFG-2001...**
- Numerous features: 1 chest band, 2 chest pockets, 2 lower pockets.
- Standard pictograms: clearly visible on the left sleeve.
