CAT'ARC multi-risk coverall to protect against an electric arc

Application:

- Multi-risk protection: protection against thermal hazards of an electric arc, heat and flames, welding hazards and antistatic.
- Prevention of the worsening of an accident by quickly and easily removing the coverall thanks to the red anti-panic zip.
- Adjustable to all body types: elastic waist, adjustable length of inner leg (77 cm or 82 cm).

Features:

- A high collar and adjustable cuffs improve the coverall's high protection.
- Hard-wearing coverall thanks to the reinforcements at the knees, crotch and bottom of the zipper.
- Numerous features: 1 chest band, 2 chest pockets, 2 Italian pockets, 2 cargo pockets.
- Standard pictograms clearly visible on the left sleeve.
